

BLUE MOKA

Borned on 2009, the **Blue Moka** nucleus is recognised as one of the new italian's distinctive, creative and talented post-bop project, which includes influences from R'n'B to contemporary jazz, and marked by a blend of tradition and modernity. These four pieces are some of the most in-demand and versatile musicians on the national jazz music scene. The quartet has started writing a new repertoire of original pieces and touring extensively in clubs and theatres around Italy featuring the legendary italian trumpet player **Fabrizio Bosso**. As one of the most in-demand soloist on the international music jazz scene, Fabrizio recorded more than fifty album including three release for the prestigious record label Blue Note as a bandleader and collaborated with the main worldwide performer such Enrico Pieranunzi, Charlie Haden, Carla Bley and the London Symphony Orchestra.

“**Blue Moka**” is their acclaimed debut album released on 2018 by **Jando Music Record** and previewed at the renowned **BlueNote** club in Milano with a sold-out show.
